The mentor network will allow HACC students to connect with alumni in their fields to learn valuable career insights and network with professionals.

For mentors, the network allows you to:

1. Give back to HACC
2. Share experience and knowledge
3. Encourage and inspire the next generation of professionals
4. Promote your organization

For students, you can:

1. Gain new career knowledge
2. Start a professional network
3. Practice interviewing skills
4. Apply real-world experience to your coursework

Mentors: Professionals willing to share their knowledge can register now by logging into HACC's new online module and using the password: careerhawk
